***** ADDENDUM *** ADDENDUM *** ADDENDUM *****

SOLICITATION: JG4116
DUE DATE: April 20, 2004
TIME: 3:00PM
**DESCRIPTION: MULTI-STEP BID FOR ADOBE LICENSE CENTER-
GOVERNMENT RESELLER OF ADOBE DESKTOP
SOFTWARE**

ADDENDUM #1

**The following are questions that have been received and their formal answers.
This information is to be considered part of the bid specifications.**

1. **Q:** Is it the State's intent to SPLIT the Adobe CLP contract and differentiate between products offered?
Please help me understand the difference between the two proposed contracts.

A: The State is currently bidding both Adobe Desktop products and Adobe Enterprise Solutions Products. Bid JG4116 is for the Desktop products and JG4117 is for the Enterprise products. It is the State's intent that two contracts will result; one from JG4116 and one from JG4117.
2. **Q:** Is the state of Utah only accepting bids for a government CLP, or is it only government? We would like to bid, but we would like to bid on the academic CLP if that is possible. The academic CLP will have more of a discount for educational customers. We strictly sell to the education market and would like to know what Utah's status is for this type of agreement.

A: The bid is to be amended to include higher education and school districts as entities that are eligible to purchase from this contract.

3. **Q:** Requirement # 11. The ordering entity must receive Adobe license confirmations within 30 calendar days from the date an order is placed with the ALCG.

Will the state modify this requirement to allow for monthly reporting to Adobe. Typically CLP PO's are reported to Adobe a month behind. For example, all PO's placed in March '04 will be reported to Adobe on April 15th. Adobe will then process the licenses and post to their website. Typically this is could be accomplished in 60 days from order.

A: This requirement will be changed to 60 days to accommodate Adobe procedures.

4. **Q:** Are you looking for pricing on just Acrobat and Photoshop and their maintenance programs or do you want a catalog quote on all Adobe products?

A: The State is requesting a quote on all Adobe desktop products.

5. The due date will remain April 20, 2004 at 3:00PM
6. With procurement, process questions contact Jared Gardner (801) 538-3342.
